

Why you should consider Carnival.

For corporate meetings, seminars and incentive programs, a Carnival ship is the one choice that pleases everyone. Our floating resorts have excellent meeting facilities and enough activities to satisfy your most demanding participant. Whether you need an entire ship or a handful of staterooms, Carnival will come through with flying colors. Here are just some of the advantages you enjoy with Carnival:

- **Famous Name:** Carnival boasts the greatest brand identity in the cruise industry.
- **Spectacular Fleet:** Carnival's fleet of 23 "Fun Ships" includes many of the world's newest and largest floating resorts. And every ship features some of the largest staterooms at sea, each with premium bedding, soft carpeting and lots of closet space.
- **Amazing Selection:** Carnival offers more 3, 4 and 5 day options than any other cruise line. Add to that a wide selection of 6, 7 and 8 day — and even longer — cruises.
- **Carnival's Total Choice DiningSM:** Like the name says, your culinary choices are abundant at every meal, from the tempting menus in the main restaurant to casual dining in the seaside bistro.
- **Lavish Entertainment:** Our entertainment, including spectacular stage shows in state-of-the-art theaters, is among the most highly regarded at sea.
- **Meeting Space and AV:** Business guests are provided with complimentary meeting space and standard audio/video equipment.
- **Meeting Guides:** You'll receive precise floor plans for our ships' meeting and function spaces. Plus, we have other support materials to simplify your planning and promotion.
- **Group Coordinator:** On board the ship a Group Coordinator will be assigned to your group to facilitate meeting and function details.
- **Connectivity:** We'll keep you connected, even when you're at sea. Each ship features an Internet Café as well as wireless Internet access (Wi-Fi) points throughout. Internet packages and cell phone service will also be available to your group aboard our ships.
- **Onboard and Onshore Functions:** We'll customize all the special functions, receptions, etc. that you need aboard ship and arrange for any shore events such as a golf outing or tournament.
- **More Experience:** Carnival has more than 35 years of experience in meeting and incentive planning with our travel partners.

We can handle a conference for 20, a convention for 3,000.

Every Carnival ship has a wide choice of lounges and meeting rooms. Every one of them can accommodate your room setup and meeting requirements. Many of our ships also have conference rooms, which can even be used for private dining. You'll find that the members of your group appreciate the comfortable seating and energizing decor of our facilities. The fun of being at sea in itself leads to a sense of camaraderie not achievable on land. In addition, think how easy it will be to get your people together for an impromptu meeting.

Complimentary AV equipment on most ships includes:

- Projection screens
- DVD players, laptop projectors and monitors
- Multimedia capabilities
- Remote-control projectors
- Podiums and lecterns
- Microphones and PA systems

CARNIVAL FASCINATIONSM: Category 12, Penthouse Suite with large private balcony, Twin/King, 430 sq. ft. *

More room. More features. More privacy.

On a ship, you figure, how big can a stateroom be? Well, you'll be surprised at how spacious ours are. Carnival has some of the largest staterooms at sea. Also generously sized are the private balconies on many of our ships. Another surprise is that not only is the bathroom spacious, but it includes a basket of complimentary toiletries for your cruise (including that item that might have been forgotten). What else? You can watch movies or news on your TV and call anywhere in the world on your phone.

Here's a real plus for incentive and meeting planners.

We can arrange a room block that gives every one of your guests an identical Ocean View stateroom. Of course, if you wish to reward someone with even grander accommodations, our ships have Balcony staterooms and even a president-pleasing Penthouse Suite. Whichever accommodations you choose for your guests, be assured they will all receive the same high standard of service which includes nightly turndown service and complimentary room service 24 hours a day. (Try getting a snack at 3 a.m. from a land-based hotel.)

Every stateroom features the Carnival Comfort Collection™. This “Fun Ship” exclusive is a complete ensemble of a superbly crafted mattress, high-thread-count linens and duvet, custom pillows, fine cotton towels and terry cloth bathrobes. (Guests love this collection so much we make it available for home purchase.) With this fabulous bed and a nightly mint on your pillow, you’ve got a dream combination.

*Measurements are inclusive of the balcony.

7 am

At dawn, some members of your group may still be sleeping. But those who aren't can run a mile or two on the jogging track, work out in the complete fitness center, order from room service (always complimentary) or enjoy breakfast alfresco at the seaview bistro.

9 am

Everyone — well, *almost* everyone — arrives at the meeting room right on time. The side table has coffee and fresh pastries. The lights dim and the presentation begins. It's the launch of a new product line and, because they're on a cruise, your best customers are relaxed, pampered and in a buying mood.

10:30 am

On a meeting program, you might be in a dynamic teambuilding session led by a Carnival Corporate University instructor. For an incentive, it might be time for a visit to the spa. Getting a massage is so relaxing. But, then, so is getting a facial. On the other hand, a steam bath or sauna can make you feel so renewed. And, just think, all of these wonderful experiences, and then some, can be included in your program.

Noon

The ship has docked at an exciting destination, and everyone in your group has gone ashore. Some to snorkel and swim, some to shop, some to take a specially arranged sightseeing excursion. Everyone else is on the island's best golf course at a tournament we arranged just for your avid golfers.

4 pm

Where are your guests now? Back in general session. Standing on the balconies of their spacious staterooms as the ship sails away from port. Reading in the library. Enjoying a quick swim. Or maybe having a cappuccino in the café along the promenade, deep in conversation as they create stronger business bonds and closer friendships.

7 pm The private cocktail party before dinner is the kind of elegant event that makes everyone feel like a CEO. It's a wonderful opportunity to compare notes about the day's adventures and enjoy the special ambiance of a Carnival cruise.

8:15 pm Another fantastic, festive five-course dinner at your own reserved tables in the main dining room. Tonight, like every night, a completely new selection of appetizers, salads, soups, entrées and desserts. To add to the sense of celebration, a choice of fine wines and, of course, lots of glass-raising toasts.

10:15 pm Most of your guests are in the state-of-the-art showroom applauding a huge, lavish performance and an orchestra with sensational strings and the brassiest brass at sea. Our award-winning entertainment brings audiences to their feet night after show-stopping night.

11:30 pm Those in your group with good singing voices are having a great time at the piano bar. But it's also lots of laughs for those who can't carry a tune. After all, the goal isn't to win a Grammy® award, but to get together with your colleagues and create some harmony. Your other guests? They're in one of the many other clubs and lounges.

After midnight While some of your guests have turned in, others are turning over cards at the complete casino, rocking in the dance club, or gathering at the midnight comedy show. And while the live entertainment still has the crowd cheering in the jazz lounge, others are catching the star-studded show in the sky above the ship.

Achieve your objectives while having fun. It's possible on a Carnival cruise!

Special golf program

Make sure to include golf in your next group or incentive booking. Carnival's comprehensive onboard golf academy is available on every sailing and can be customized to your particular needs and audience. We provide professional golf event management and personalized instruction from a team of certified pros using the V1 digital coaching system (selected by the PGA as their preferred teaching software), virtual golf simulators, a complete Nike® Golf rental, demo and custom retail program, as well as guided golf excursions to the finest courses in almost every port of call worldwide. Special Guilt-Free Golf & Spa programs and gift certificates are available for your non-golfers, as well as a liability protection plan for your players while in port. The very latest Nike® Golf products, apparel and prizes can also be arranged to make planning your event a snap! Let Carnival Golf assist you in planning a unique and memorable cruise golf getaway during your event. For more details on our onboard golf program visit carnival.com/golf.

On Carnival you can host an unforgettable theater presentation.

Imagine having your annual meeting or new product introduction in a magnificent theater like this. On a Carnival ship, not only can your group enjoy the elegant setting of our multi-tiered showrooms, we can help make your presentation an event they'll talk about for years. First of all, we have state-of-the-art video equipment, spectacular sound systems and lighting that would make any Broadway theater proud. Plus, at additional cost and some pre-planning, we can help you create and personalize your own awards presentation, supplemented by our talented singers, dancers and orchestra. How often does a business meeting get a standing ovation?

“They’re taking over the ship!”

And we couldn’t be happier. Because Carnival is delighted to charter an entire ship to a single company. Just think, with a ship’s complete staff and crew at your command, you’d have a meeting or convention truly unlike any other. In addition, Carnival can tailor signage, entertainment, menus — even the daily *Carnival Capers* — to focus on the guest company’s major players and program theme.

Carnival has the ideal Individual Incentive Program.

Carnival’s Preferred Awards Program offers five levels of cruise certificates that are easy to purchase and easy to present. Once you see how flexible and uncomplicated they are, you’ll want to use them to:

- Motivate your staff
- Generate sales
- Inspire constructive competition
- Build in-store or mall traffic
- Recognize loyalty
- Reward achievements
- Create an exciting sweepstakes or contest

All certificates, which are available for a wide choice of 3 to 12 day cruise vacations, are for two guests sharing the same stateroom and include onboard meals, entertainment, taxes, government fees and most gratuities. You’ll find complete details of this highly popular program in our Preferred Awards brochure.

For more information, please request a copy of Carnival’s Preferred Awards brochure.
