Energizing. Motivating. Inspiring.

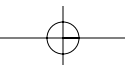

Have your next meeting on a “Fun Ship” cruise and enjoy the special camaraderie of being aboard a floating resort. Your attendees will love having so many choices for dining and entertainment. They will certainly appreciate being free from most of the added expenses of a land resort.

For your meetings, we can provide a variety of space, from a large conference room to small breakout areas. We also can provide everything from the simplest pencils, pads and pastries get-together to a memorable award ceremony in the state-of-the-art showroom. Thanks to our Internet Café and phone service no one has to be out of touch with the home office, family and friends.

For your leisure time, there are sparkling pools, duty-free shops, and the complete fitness and beauty services of Spa Carnival®. Your group can dine in the main restaurant or in the laid-back Lido-Deck bistro (which even has a 24-hour Pizzeria). They can play their favorite games of chance in the friendly casino, catch a Vegas-style revue, sing along at the piano bar, or dance the night away in the many clubs and lounges.

For your convenience, our professional, experienced staff is available to respond to your every request, whether it's advancing your function, arranging Bon Voyage gifts, creating a private cocktail reception, or planning customized shore events.

To plan your next meeting call any travel agent, meeting planning company, or Carnival Cruise Lines at 1-877-278-0388. Or visit us at carnivalmeetings.com.

DESTINY and CONQUEST CLASSES

Meeting Facility Planner at a glance

Why our largest ships may be the best choice for your program.

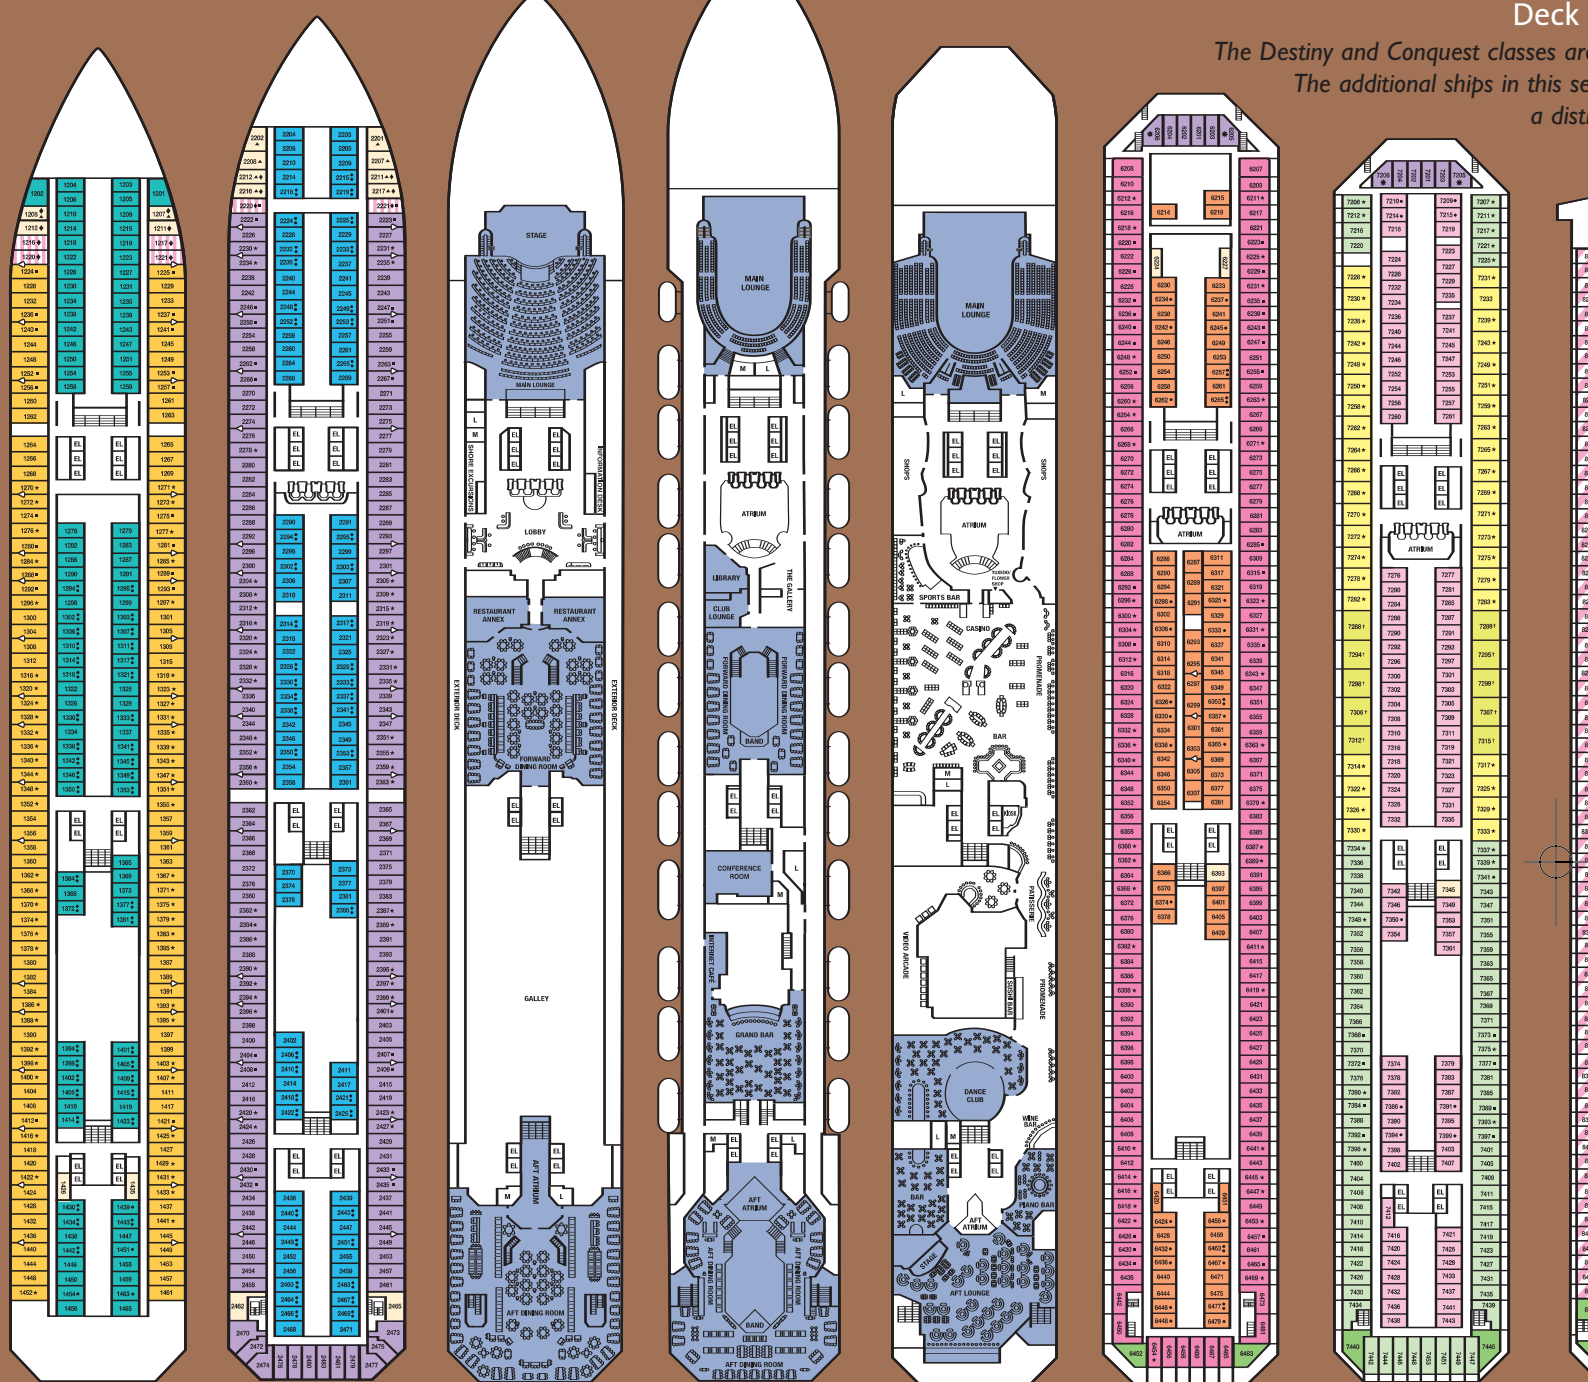

While every floating resort in the "Fun Ship" fleet may accommodate your program at sea, there are special advantages to meeting aboard our Destiny- and Conquest-class ships. For starters, the majority of staterooms offer ocean views, most of which have private balconies. Being our largest ships, they provide your guests with a wider choice of clubs, lounges, showrooms and dedicated meeting space. Every ship in both classes offers superb dining in two-level restaurants,

spectacular entertainment and pampering service. Each also features such Carnival exclusives as our Corporate University team-building programs and a golf program led by PGA professionals. This guide will give you an idea of the geography of these ships and the size of not only meeting areas, but also such popular leisure-time facilities as the friendly casino and Spa Carnival®. You will note that the only difference between the two classes is that Conquest class also features a reservations-only supper club.
