

Norwegian Sun

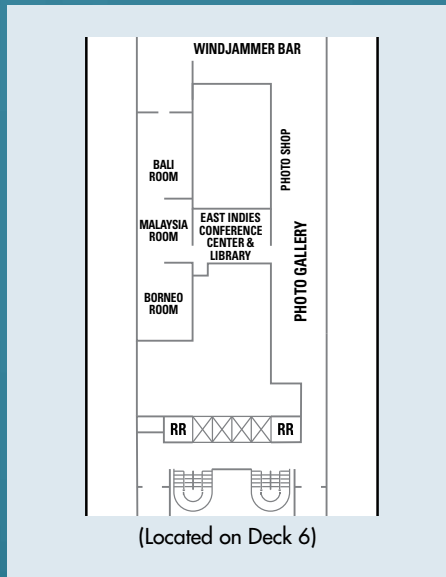

After a multi-million dollar renovation, Norwegian Sun is back and shining brighter than ever. And with all her great changes, she's ready to get down to business. Her Suites received brand-new furnishings including flat screen televisions. We've also added a new onboard restaurant, *Moderno Churrascaria*—which has waiters carving the finest cuts of meat right at your table. It's one of the numerous restaurants to choose from. And after dinner, there's so much more to enjoy. So, whether it's sipping a martini, enjoying a show or leading your team into the future, this ship offers the perfect mix of business and pleasure.
